Workshop 12, Week 23

Called to Holiness

The Catechetical Institute

1. What are some of the good things John Paul II noticed in recent times relating to marriage? What are some of the bad things?

2. What are the two loves in conflict that result in the battle relating to marriage and the family?

3. List some of the negative things you've seen in your students as a result of good and evil clashing in their family lives. Have you ever seen the good, with the help of God, overcome the evil in their life?
