The Catechetical Institute

1. What is the urgent and pressing task of Christian couples?

2. "It is necessary to reconfirm the good news of the definitive nature of that conjugal love that has in Christ its foundation and strength." Why is this necessary in the world of today?

3. Why was marriage made a sacrament by Christ?

4. Think of a couple you know who you have seen persist in their love and marriage despite hardship. Briefly describe how their example has effected you.
