Workshop 12, Week 30

Sharing in the Mission of the Church

The Catechetical Institute

1. What does the "domestic church" mean? If the Church's role is to bring us closer to God and each other, practically how should a Catholic family be different from other families? Be specific.

2. What does it mean when someone "has a vocation"? What should the Catholic family's response be to a child who has a vocation?

3. Think of a couple or family that has profoundly influenced you. What was it about them that remains with you? How would you like to be more like them so that you too can make a profound influence on others?
