Workshop 12, Week 22

The Church Teaches

The Catechetical Institute

1. Familiaris Consortio states, "The future of humanity passes by way of the family." Explain the significance of this claim. Is the claim true, or is the future, rather, passed on through education and governmental programs?

2. The Pope goes on to say, "every person of goodwill should endeavor to save and foster the values and requirements of the family." What are the values and requirements of the family?

3. Explain the importance of your family in your life. What are the positive and negative effects you've experienced from your family?
